ACTIVITIES

The Eagles Nest activities include but are not limited to: academic enhancement in core subject areas; reading enrichment; computer/technology; arts and crafts; organized indoor/outdoor games; physical education; and interpersonal and social enrichment.

DISCIPLINE

The Eagles Nest stresses that a child's discipline must be a collaborative responsibility with the program staff, the student, and the parents. Disciplinary problems will be addressed using one or a combination of the following methods:

- Time Out (15-30 minutes)
- 3-Day Suspension
- 1-Week Suspension
- Dismissal from the program

Disciplinary infractions shall be categorized as minor, serious, severe, and/or a combination of all three.

Minor Disciplinary Problems:

Minor disciplinary problems are defined as behavior that creates disorderly conduct without injury to persons or damage to property.

Corrective measures shall include verbal warnings, the use of “time out” and/or written notification to parents. Two written notifications may result in a three-day suspension from the program. **No credit or refund will be allowed.** Repeated suspensions may result in a lengthier suspension or dismissal from the program.

-5-

Serious Disciplinary Problems:

Serious disciplinary problems are defined as behavior that creates disorderly conduct with unintentional harm to persons and/or to property, foul and/or profane language, and/or inappropriate language toward *The Eagles Nest* staff.

Corrective measures shall include student removal from the activity for the rest of the day and written notification to parents. Two written notifications may result in a one-week suspension from the program. **No credit or refund will be allowed.** A parent conference will be conducted in person or on the telephone before the child can return to the program. Two suspensions will result in dismissal from the program.

Severe Disciplinary Infractions:

Severe disciplinary problems are defined as behavior that endangers the health, safety, and well-being of others; intentional harm to others and/or to property; and violation of school policies regarding the possession and/or distribution of drugs, alcohol, or weapons.

Corrective measures may result in a written notification to parents and dismissal from the program. **No credit or refund will be allowed.** In cases of possible criminal activity, the local police authorities will be notified.

All cases involving suspensions and dismissals are subject to review by The Eagles Nest **Site Coordinator** and the Principal of the Academy.

Suspension and/or dismissal from the program will depend upon the severity of the infraction; however, intentional harm to an Eagles Nest worker, another student, or school property is justification for immediate and permanent removal from the program.
